

Horsham week Pilots meeting 2020

Date 02/02/2020 time 10:00am

- Minutes from 2019 Accepted? Moved _____, seconded Chris Thorpe
- Apologies – Nil

Items of business

1) Comp day on Sunday (motion by Rolf Beulter, seconded by Hamid)

The idea being that gives another day to get a comp if the weather is bad.

Discussion In favour – none spoke to it

Discussion Against

- Selwyn Ellis – said it would be a drain on Horsham club volunteers, and limited tug availability which are due back on Saturday avo. It is not a common occurrence not to have a comp.

Vote: for = 3. Against = majority. **Motion Lost.**

2) Reserve Day (motion by Rolf Beulter, seconder Gary Stevenson)

Again in the event of poor weather and not getting a comp, have the possibility to fly Sunday. Only applies to future comps and not this one.

Discussion in favour ?

None

Discussion against

- Arnold Neiwand – in what situations would it be invoked? It doesn't really fit in with peoples plans re accommodation and work. These things are set in advance, and if the reserve day was invoked on Friday afternoon, it would be a problem for the Horsham club and tug availability.
- Selwyn Ellis – made similar comments as above. Cant see any positives in it as a no-comp is a rare event.

Vote: for = 4. Against = majority. **Motion Lost.**

3) Move the normal briefing to 10am. In the rules its at 10.30 apart from the first day which is at 10. (Motion Selwyn Ellis, seconded by Arnold Neiwand)

Discussion in favour?

- Selwyn Ellis – the last couple of years the briefing has been at 10am.
- Tim Shirley – the organisation is generally done by 10am, so that would be ok.

Discussion against?

- Rolf Beulter – he does his preparation before briefing and has a coffee after briefing, and doesn't favour a change to 10am briefing.

Vote: for = 11. Against = 9. **Motion carried**

Normal briefing will be at 10am (and possibly the first briefing at 9.30 to be set by the organiser).

Any other business?

No

Meeting closed at 10.33am

Pilots list attached.

GCV to run next year.
